

Narrabeen Football Club – a section of the NYC

BOONDAH NEWS

Issue 1 – 5th April 2008

Narrabeen Football Club President's Report:

Welcome to the 2008 football season.

The committee of Narrabeen Football Club hope you had a wonderful year!

We are fielding over 600 players and 48 teams in the MWFA Competition –again an increase from the previous year.

I wish to extend to all of our new players a welcome to the Club, and special welcome back to our returning players. Extra Special thanks to all those Committee Members and helpers who have put in a HUGE (and continuing) effort to get us to the start of a new season. We have gone through Registration, Gradings and Team Formations just in time – along the way having to cope with failed computers and an entirely new registration process.

2007 was a record breaking season for NFC, however life may be a little more competitive this year!

I would like to remind everybody that we are a Club for all levels of competition.

We have a top class Premier League side, and an increased number of senior teams. Our Juniors have also increased – with two Division 1 teams, and other age divisions moving up through the ranks. We are also fielding teams in the Ladies 10s, 11s and 16s (two teams). As always our Sub Juniors are primed to perform.

I should remind everybody that the Club is exclusively run by volunteers, and we seek the assistance of all parents in "doing their bit" for the Club. Please, when the opportunity presents itself, thank your team coaches and managers as well as those assisting in other club duties for their efforts. Without them NFC could not operate, grow and prosper.

Thanks to all our sponsors, and especially RSH Electrical who have increased their contribution for season 2009.

Just a quick word about two matters-

I know that the kids all love wearing their NFC playing shirts, however these are a significant investment by the Club and should only be worn during matches (I have already seen them being used at training and Gala Days). If we cannot get enough Club life out of them it means that fees must increase to update them more often.

I have also seen many small children at Boondah in bare feet. We do have a significant problem with vandalism, and broken bottles are regularly swept from the canteen area.

Now that kick off time has arrived – good luck to all for the season!
