President's Report

I'd like to extend a warm welcome to all players for the 2009 season, both new and returning. With a matter of hours before the first round kicks off we're in good shape - the teams are formed, the draw is out and we're all looking forward to kicking a ball around, or watching one. All we need now is a little sunshine so that the councils can re-open the grounds!

Hopefully we can all draw inspiration from our Premier League team who have had a cracking start to the season, playing two rounds of the FA Cup over the last two weekends and winning through to the semi-finals. In their game on Sunday they came back from 2-0 down to win 3-2 against last year's champions, Pittwater - a great result! Never say die...

Please remember to keep an eye on the website at <http://www.narrabeenfc.com.au> for up to date information from the club and other useful links. One that may come in handy this weekend is Ground Locations (under Matches) - a useful way to find out where your away game is located. Also keep an eye on <http://www.mwfa.com.au> for future games and past results, along with other news and information. They've

currently got a story about the NFC Premier League win on their home page and an appeal for additional players for our U11/1 Ladies team.

In closing I'd like to thank our sponsors and our volunteers. With the assistance of club sponsor RSH Electrical we have been able to kit out all our teams in smart new playing strips and training gear over the last couple of years. Thanks also to Team Rhino and for their ongoing sponsorship of Premier League. and are pleased to announce that The Newport Arms is generously providing Award certificates starting this season, with certificates for Best Player and Encouragement Awards for all teams every week. On the volunteer front, a lot of work has gone into registrations, grading, gear and various other activities over the last few weeks and months; I'd like to thank all those who have given their free time (for free!) to help us get to the start line. Now it's time to enjoy the season. Good luck to all our teams for 2009!

Chris Farguharson
NFC Vice-President
