## President's Report

The weather this weekend played havoc with games and only Junior and Sub-Junior games for mixed teams on Saturday morning were completed - in many cases with umbrellas up! At around lunchtime, as the rain closed in and with many grounds already closed, MWFA called off all games for the rest of the weekend. Of the 115 Junior games scheduled to be played across the peninsula, 95 were completed. The remaining 20 games (none involving Narrabeen teams) will be replayed at a later date, to complete the round.

A conversation on the sidelines on Saturday morning provided evidence that this column does have actually have one reader - thanks Robert! I enjoyed reminiscing about standing on the terraces at Highbury watching Arsenal and listening to the supporters taunting Brighton and Hove Albion with "Seaweeeed - Seaweeeed..." (Brighton's on the South coast of England, beside the sea). Probably behaviour that would now be frowned upon, but really just a good-natured ribbing...

This weekend there are games on Saturday, Sunday and Monday, weather permitting. Please keep a close eye on e-mail/SMS and the websites for your fixtures, ground conditions (Council Wet Weather Lines) and any updates over the next couple of days. In case of adverse weather conditions, matches may be moved at short notice due to ground closures and if so we'll attempt to contact you as early as possible after finding out about any changes. But if you don't heard from a committee member or learn that the ground has been closed by the local council, please travel to the ground, otherwise

you may find that your team forfeits due to having less than seven players when the other team turn up ready to play (not applicable to Sub-Juniors - there is no 'forfeit' at this level, the idea's just to get a game in).

A couple of weeks ago we had a Sub-Committee meeting at Narrabeen RSL to plan for 2010 with a view to making improvements to all aspects of the registration process and to begin to plan the early part of the season. The idea was to look at how we could do things better and make things easier and less time-consuming for all involved - players, parents and volunteers. Some good ideas came out of the session and hopefully we can put them into action next year. Thanks to Belinda, our club Registrar, for suggesting the meeting and thanks to all those who attended/ gave their input. If anyone out there has any ideas in this area, please send them in/ get involved. Meanwhile I hope to see many of you (Managers/ delegates) at the Monthly Meeting on Monday evening at 7:00pm - downstairs at Narrabeen RSL.

Congratulations to our U11/5 team for their first win of the season - 4-nil!

Let's hope we get some sunshine and see some games played before then!

*Chris Farguharson*

## Under 6

### Meteors v Pittwater Wombats

We came up against the Pittwater Wombats who proved a little too good for us on the day, but we still had many highlights. Joel Piper and James Brock were amazing in attack and defence, covering both ends of the field in a fine display of total football. Thomas Montague and Ned Roseworne keep going from strength to strength, and Emily Wicks tried hard all game.

### Rockets v ???

### Stars v ???

Well done to all the stars for a game well played, and for toughing it out in the wet conditions. Well done Lachlan and Levi for scoring and to all the players for good tackling and running the ball up our end, a top game of football.

## Under 7

### Barracudas v ???                      ?-?

### Crocodiles v Beacon Hill Bullants Lost 1-5

A very muddy, slippery and soggy game, 1/2 played in the rain. A massive effort from our whole team with our goal scored by Kye. Player of the week went to Darcy for his great defence (and for being the dirtiest). A great attacking game by Brody and Ben, and a great game for Ethan, Charlotte and Jade. Isabel and Montana, who got the encouragement award were fantastic as our goalies.

### Pythons v

### Manly Allambie Redbacks              Won 3-2

The team played really well this week, and each player seems to be improving! Max was awarded player of the week for having a great game - he did some great passes and was getting really involved in the play. Christian and Nathan H both did a fantastic job in goals. Sam and Nathan C were the scorers, with Sam scoring 2 goals again this week! Not only did these two score our goals, they also were both fantastic in defense as well. There were too many other awards to list them all, but special mention also to Luke P who had another great game!

## Under 8

### Condors v Sea Eagles                      Lost 2-3

The rain threatened to fall during the match, and finally started in the final couple of minutes. The Condors were quickly 2-0 down to Wakehurst, but as always with this young team, they always fight back. Liam went on a long run ,but missed a goal. A goal from Joel before half-time was just reward for their efforts. The match then settled into end to end chances for both teams. When Jaden scored late in the second half it seemed they has got a deserved draw, but one minute form the end Wakehurst scored again to come out winners. All the team were trying very hard, Liam and Harry were fighting for every ball, Conner showed some nice touches. Jett is proving to be a good goalkeeper and kicks out very well to him team mates. The team was down to 6 players today, so all had to run and try all game, they did very well. Player of match: Jett. Encouragement Awards: Liam, Harry, Jaden, Connor, Joel. All received for fighting spirit.

### Eagles v ???                      ?-?

### Falcons v ???                      ?-?

### Hawks v Lions Forrest                      Won 5-3

A very exciting game this one. Lots of energy on the field by all players. A great set up for goal at one point by Rachael and Charlotte. Adam chased the ball with some terrific kicks. Our goalies this week were Lauren and Matthew who both did a great job of saving the goal. Sam scored us three goals, with one each to Lauren and Tom. Player of the week was Lauren for her fabulous goal and encouragement award went to Tom. Thanks to Brendan for his ref work.

### Kestrels v ???                      ?-?

### Kookaburras v

### Pittwater RSL Blue Tongue Lizards Won 6-3

A great win to the Kookaburras, with goals scored by Ben, Ryan, Zander and Luke scoring twice. Zander and Gemma both worked hard in goal and were successful at stopping some tricky attempts by the opposition. Gabbi, Daniel, Jack and Nathan played a great defense game in very soggy conditions, with Nathan winning Muddiest Player. Congratulations to Gemma for her fantastic game both on the field and in goal which saw her receive Player of the Week and Zander and Ben both received Encouragement Awards. Well done Kookaburras!! ( thanks to the opposition too for scoring us a goal )

### Pelicans v ???                      ?-?

### Swifts v Avalon

### Drew 1-1

Great game by all. Lily got the goal this week. Eden and Maia kept fantastically in goals. Ysabel was our player of the match - with great attacking play.

## Under 9

### Panthers v ???                      ?-?

### Lions v CC Strikers Chelsea              Lost 0-7

Round 7 was played during sunshine and rain, framed by a picturesque rainbow. Max displayed expertise in goals during the 1st half, also receiving an E/ Award for his tiresome work. The Lions displayed great team work, Lilly passing and running on to the ball, Jake and Dale working hard to punch through the Strikers defense. Matthew continuously played for the ball, keeping the opposition honest, also accepting an E/ Award. Indy, Madison and Max showed their determination working up the field in an attacking play during the second half, luckily an attempted shot at goal being saved by the Strikers goalie. Luke was fantastic in defence, with great clearing kicks and header. Vaughan was attacking and pushing the ball out from our goal mouth to the oppositions half with his monster kicks. James narrowly missed several shots at goal during the game earning him the Player of the Week award. Ryan displayed some courageous saves during second half goalie duty. It was a much closer game than the final score displayed. Keep up the team work Lions and the pot of gold will be yours!

### U10/2 v Seaforth                      Won 2-1

It was raining and cold but we were playing at our hallowed Boondah 1 so all was good. Seaforth got an early goal and then Brendan was taken out in the box by 3 Seaforth players in a tackle which (when viewed on video) was worthy of three red cards. The team was not going to have than happen to one of their team mates so they lifted and played through the rain and wind to a fantastic 2 - 1 win. Many thanks to everyone for braving the weather and to Simon for being a great linesman again. A well deserved win to a team who played a very clean game and are never bad sports. Player of the week our fantastic goalie - Jayden.

### U10/3 v Forest Killarney                      ?-?

### U10/4 v Brookvale                      ?-?

**Under 11**

**U11/1 v Brookvale** Won 7-0

What a turnaround this week. Whatever mum put in your breakfast today make sure it happens again! The first half was tight, with Brookvale passing the ball around but just could not get through. We scored and the confidence within the team began to rise. Come the 2nd half, the boys completely dominated until the end of the game. Nice work boys. Keep up the good work.

**U11/4 v St Augustines B** ?-?

**U11/5 v Curl Curl** Won 4-0

What a great start to the game with Jack bidding his time at the goal mouth & scoring in the 1st minute. The forwards were passing well between each other, especially Angus & Angelique. Kamran & Hugo were doing really well on the wing taking the ball up. Daniel made some good breaks nearly scoring. Nick was tackling like a champion. Jack came through with another tactical goal. Angelique was using her speed & had a good attempt at goal. The Curl Curl goalie was taking a battering & eventually Daniel booted one in. We went to the break 3 up. As the rain continued to pour down Jason came out of goals & had some super runs. Tobin, Shaylyn, Romy & the Zacs were a lot busier in defence 2nd half but they did a fantastic job of keeping the ball away from Daniel protecting our goal. Despite Curl

Curl fighting back Jack scored his 3rd goal. At the final whistle there was a huge cheer for the 1st win of the season!!! It was well worth everyone getting comp lately drenched! Man of the Match - Zac W Encouragement Award - Kamran

**U12/2 v Beacon Hill** ?-?

**U12/3 v Pittwater** Lost 0-4

Not many highlights to report. Our keepers Tomas & James did play well combining to keep the score reasonable. We did have a few scoring chances but were unable to convert. There is always next week.

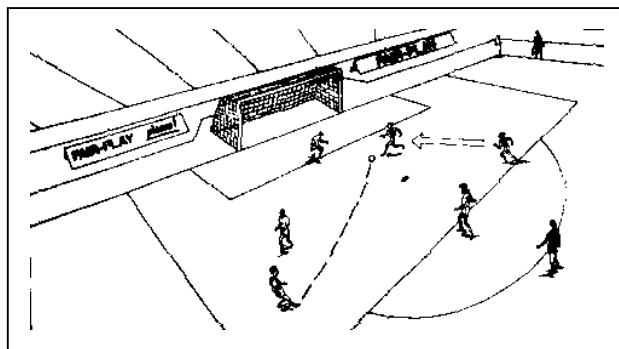

Diagram 2 - Not offside - The player in possession of the ball has a defender in front, passes across the field to a teammate. The teammate runs as shown by the arrow. The teammate is not offside because the moment the ball was passed he was not in front of the ball and he had at least two opponents between him and the goal line.

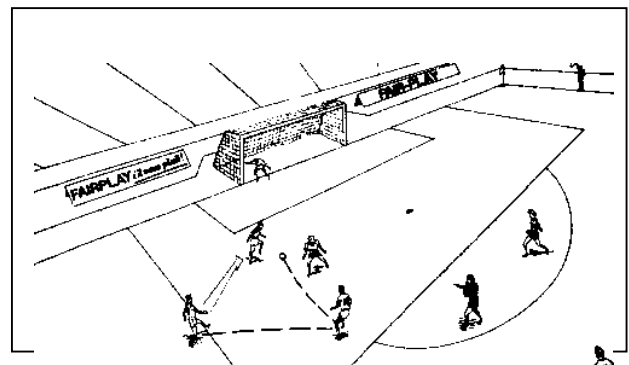

Diagram 3 - Offside - Two attacking players make a passing run up the wing. One passes the ball to the other who cannot shoot because of the defender in front of the goal. The passer then runs as shown by the arrow and has the ball passed to him. He is offside because he is in front of the ball and there are not at least two defending players between him and the goal line.
